General Country Eligibility Provisions - The U.S. Government intends that the largest possible number of Sub-Saharan African countries is able to take advantage of AGOA. President Clinton issued a proclamation on October 2, 2000 designating 34 countries in Sub-Saharan Africa as eligible for the trade benefits of AGOA. http://www.agoa.gov/eligibility/country_eligibility.html

Trade Leads: Click <http://www.agoa.gov/tradelinks/tradelinks.html> for just a few of the resources African businesses can use to either search or post information on the products or services they wish to sell. Unless otherwise noted, the services provided by these websites are free.

AGOA resources – Reports, trade finance & technical assistance, general business, country information, trade data, Africa trade hubs, textile & apparel, agriculture, customs. http://www.agoa.gov/resources/resources.html#top_of_page.
